

Information for Owners

Neil Mullinger
Nottingham Pet Care
22 Sydney Road, Nottingham,
NG81LH.

We live in a semi-detached house with an enclosed garden on a very quiet road close to Wollaton Park. The house is occupied by two adults and two children.

Please email, text or call to arrange. Visitors will have access to the garden when the weather is nice and will be taken out for walks around Wollaton. Your dogs safety is always our primary concern! (with a great time a close second!)
